After the successful payment, please link the registration with your submitted papers, which is very important for the paper publication.

***Notice: The linked paper do not need to be linked again.**

*** One registration can link two quotas of your signed papers.**

When linking papers, the papers can be screened by your name or your email address filled in during the paper submission process.

If you have any questions, please contact the conference affairs through WeChat software or email to secretariat_roomvent2022@hotmail.com.
